

27 August 2019

Dear Parent

Due to construction on a road in the area, the fibre line was cut which resulted in RBI and Kitsong having no network from Friday afternoon. This meant not only did we not have any internet, we had no wi-fi and students could not access Moodle at school. Our photocopiers did not work as they are also networked. For this reason it was felt that neither teachers nor students would be in a position to write the cycle tests on Thursday.

Cycle tests will NOT be written on Thursday 28 August but will be written on Tuesday 2 September. The tests scheduled for Thursday 4 September will still be written on Thursday 4 September.

School will end at 14:00 on Thursday 28 August as no cycle tests will be written.

Regards

Mrs F Krige
