Subject: Gr 11 Parent Information

This communique serves to inform all grade 11 parents about the decision taken by the Royal Bafokeng Institute (RBI) board to continue with the Independent Examination Board (IEB) instead of migrating to NSC public examination. The decision has been based on the re-imaging of RBI that directs its units to a specific direction and would want to maintain its prestige.

The preparations of learners was hampered by the dilemma between whether IEB or public examination and by COVID-19 in 2020. It is against this background that there has not been enough time to prepare Gr 11 learners for Grade 12. The learners have been prepared for IEB from grade 8 that gives them an advantage over public examination. **Therefore as an intervention strategy, the grade 11 learners are mandated to return to school from 23 November to 27 November.** The timetable has been send to moodle. After this program the Intervention strategies will be continued in 2021, **until then parents are requested to encourage their children to work in the holidays.**

This is compulsory and school rules apply:

- Reporting time : 7h30
- Full school uniform (non – negotiable) **NO SPORTS UNIFORM**
- Neat presentable and acceptable hairstyle as per code of conduct
- Bring all necessary equipment for different subjects.
- Wear a mask at all times/ Hand Washing /Sanitise

In the process of preparation parents should ensure fees are paid up for 2021 re- registration to avoid inconveniences.
